

# "Invocation of Quan Yin"

Beloved Lady of Compassion,  
Blessed Mother of Mercy,  
Quan Yin, I ask for your  
Presence by my side tonight.

I ask for your guidance  
On this dark night.

Thought the moon shines not  
In the sky this evening,  
Still I feel your light  
Surrounding me, guiding me.

Blessed Lady, may my  
Questions be answered and  
Uncertainties erased.

Blessed Mother, I welcome you.
